### ABOUT THIS SPACE

This historical building has been meticulously restored to showcase its industrial roots. The interior space is comprised of the main area & mezzanine and includes a vaulted glass 26' ceiling with iron beams. The exterior space includes a spectacular courtyard which boasts up close and personal views of the bridge, ivy covered walls & brick walkways. All of which contribute to this venue's distinctive and charming setting. If the history and charm isn't enough, bells & whistles abound. Base price includes: Three (3) in-house staff members, a commercial kitchen, furniture suitable for a full-on cocktail hour, coat check area and ambient lighting throughout. But that's not all... Three additional spaces can be made available in total or in combination which offers increased flexibility in terms of space & flow for your special event.
