

## Museum Mile Nave

Upper East Side, Manhattan, New York City • SqFt • [View this property](#)

### ABOUT THIS SPACE

Just steps away from Central Park, this event space boasts an 80' high gothic-style vaulted ceiling, which offers amazing acoustics. This space is perfect for concerts, performances, large lectures, fashion shows or panel discussions.

### THINGS YOU SHOULD KNOW

- Public Assembly Permit in Place
- Pews can be removed at a significant cost! They are antiques and extremely delicate and would then need to be stored.
- Kitchen space is available but not included in price. If there is actual cooking, there will be an additional fee.
- Sound system included
- Additional space available in the building
