

The Altman Building

Chelsea, Manhattan, New York City • 13,500 SqFt • [View this property](#)

ABOUT THIS SPACE

The Altman Building has ample room and a tremendous amount of flexibility for your event with 10,000 sf of column-free event space on the main floor and 3,500 sf on the lower level. Original arched doorways that open onto the street and façade up-lights all contribute to a 'red carpet' experience should your event require a VIP touch at this large NYC venue. The ground level doorways also make for a seamless load in/out experience. Custom hard wood floors, exposed vaulted brick ceilings, and an expanse of windows which allow a tremendous amount of natural light that all contribute to this venue's charm.
