### ABOUT THIS SPACE

This venue offers white walls, white epoxy floors and white ceilings making this blank space completely transformable. Upon entering the space, there is a custom bar area which leads to four separate studios that have folding doors which can be opened or closed for a flexible floorplan. Oversized windows and four exposures throughout the premises make this a favorite choice for the photo, film & fashion industry.

Things You Should Know: –

- 10,000 SqFt divisible into 4 rooms
- Existing furniture is available at no additional charge and can be easily moved around

*Please note: Capacity listed is an estimate. Final capacity to be determined by use and permit of assembly.*
